

## **PRESS RELEASE**

### **MPPA SENDS CONDOLENCE FOR THE PASSING OF RUDY RAMAWY, THE COMPANY'S CHAIRMAN**

**Tangerang, September 23, 2022** – With great sadness, PT Matahari Putra Prima Tbk ("MPPA") announced today that **Mr. Rudy Ramawy**, the Company's President Commissioner, passed away on September 22, 2022 in Jakarta. He was survived by his wife and two children.

The Board of Commissioners, Directors, Management team and staffs of MPPA sincerely express deepest sympathy and condolences to his family.

Mr. Rudy Ramawy, joined the Company as Independent Commissioner in 2018 and appointed as President Commissioner in 2022. He had more than 25 years in experience and leadership at various industries related to consumers. Within 2012-2015, he was the Country Director of Google Indonesia. He was the Founder and Managing Partner of Venturra Capital, which invests in early/growth stage technology ventures across the region. On top of his professional ventures, he had an active role as a volunteer and mentor in various community development and other projects.

**Adrian Suherman**, *President Director of MPPA* says: "On behalf of the entire MPPA, we would like to extend our utmost condolences to Rudy's family and many colleagues he impacted throughout his life. Rudy stood strong with his professionalism, integrity, creativity and personality which brought positive impacts and joy to the Company and people surrounding him. He will be always remembered."

May Rudy rests in peace.

Certain statements in this release are or may be forward-looking statements. These statements typically contain words such as "will", "expects" and "anticipates" and words of similar import. By their nature, forward looking statements involve a number of risks and uncertainties that could cause actual events or results to differ materially from those described in this release. Factors that could cause actual results to differ include, but are not limited to, economic, social and political conditions in Indonesia; the state of the property industry in Indonesia; prevailing market conditions; increases in regulatory burdens in Indonesia, including environmental regulations and compliance costs; fluctuations in foreign currency exchange rates; interest rate trends, cost of capital and capital availability; the anticipated demand and selling prices for our developments and related capital expenditures and investments; the cost of construction; availability of real estate property; competition from other companies and venues; shifts in customer demands; changes in operation expenses, including employee wages, benefits and training, governmental and public policy changes; our ability to be and remain competitive; our financial condition, business strategy as well as the plans and objectives of our management for future operations; generation of future receivables; and environmental compliance and remediation. Should one or more of these uncertainties or risks, among others, materialize; actual results may vary materially from those estimated, anticipated or projected. Specifically, but without limitation, capital costs could increase, projects could be delayed and anticipated improvements in production, capacity or performance might not be fully realized. Although we believe that the expectations of our management as reflected by such forward-looking statements are reasonable based on information currently available to us, no assurances can be given that such expectations will prove to have been correct. You should not unduly rely on such statements. In any event, these statements speak only as of the date hereof, and we undertake no obligation to update or revise any of them, whether as a result of new information, future events or otherwise.
